The Regional Centre for Development Cooperation (RCDC) is implementing Project Pragati with support from Misereor, Germany. Titled, “**Ensuring rehabilitation, skill building, livelihoods and resilience of climate displaced people of Bagapatia in Kendrapara district of Odisha**” the project will cater to the livelihood and resilience needs of the Satabhaya displaced who have been resettled in the Bagapatia Resettlement Colony.

As a part of Project activities, RCDC intends to produce a documentary of 5 minutes where the coastal region of Satabhaya and the resettlement colony at Bagapatia will be covered. The objective is to capture the conditions at Satabhaya which forced the relocation and the perspective of the people of Bagapatia about the relocation, how they are faring in the resettlement colony, and what they expect from Project Pragati.

RCDC therefore invites quotations from documentary film makers to produce the above documentary. The film maker will develop the script in consultation with RCDC and shoot the film at the locations. The quotation should include all charges including travel and stay in the region. RCDC will award the work to the lowest bidder who has the competence to conduct the work. The sealed quotations should be submitted to the following address by **31st July 2022**.
